Igniting Curiosity Growing Capabilities

An Daras Multi-Academy Trust **Academy Improvement Plan 21-22** (Sept 21 – Sept 22)

School: Windmill Hill Academy	
Trust Version:	v4 Template
Statutory:	Yes
Approved by LGB:	Autumn 2021
Final Review by LGB:	Autumn 2022
Advisory Committee:	LGB Trust Board of Directors Trust Teaching, Learning and Achievement Committee
Linked Documents and Policies:	Recovery Schedules, Trust Exception Reports, PPG Provision Map, PE Funding Map, SEF, Core-Stats Benchmarking Reports, Trust Consultant Reports, OFSTED Data, ISDR/ASP Reports, Trust SI Strategy, RSC Trust Improvement Capacity Framework

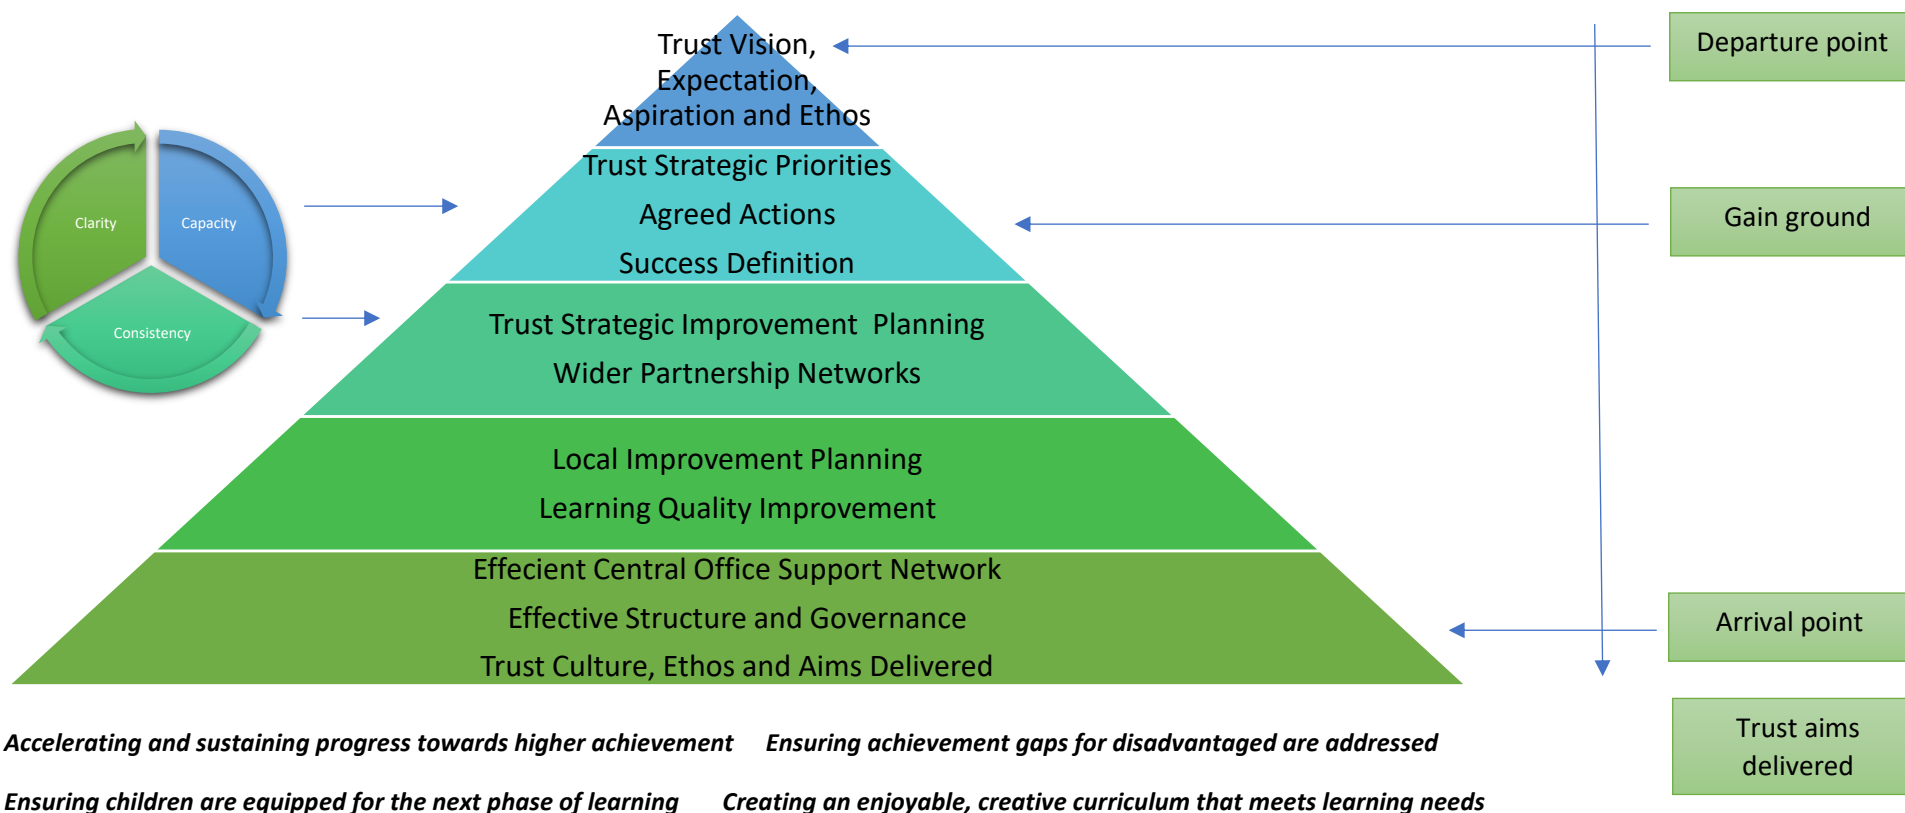

A. Improvement – Trust Model Synopsis

- **Our strategy model** is structured around establishing sustainable improvement “building blocks” of **capacity, consistency and clarity** in school operations delivered through interlinked improvement strategies informed by Trust, local and national school **contexts**. We define these essential building blocks as;
 - ✓ **Capacity** – *the ability to design, deliver and lead change within an agreed strategic vision*
 - ✓ **Consistency** – *the ability to standardise systems, process, protocols and standards to*
 - ✓ **Clarity** – *the rigorous application of school improvement models, CPD programmes and*
 - ✓ **Context** – *the identification of Trust and local priorities which deliver gain and value added for stakeholders*
- This annual AIP document exemplifies the Trust’s approach to delivery of school improvement “building blocks” which lead into five overall Trust prime improvement areas - *Vision and Culture, People and Leadership, Curriculum and Assessment, Teaching and Learning, Governance and Accountability*.
- **Trust self-assessment system** (see Trust Risk Register/Capacity framework Tool) used to risk manage the latest achievement/context of a Trust on an annual basis. Levels of support, resource deployment and challenge will then be decided by the Trust Board. Schools will continue to be reviewed against the following criteria;

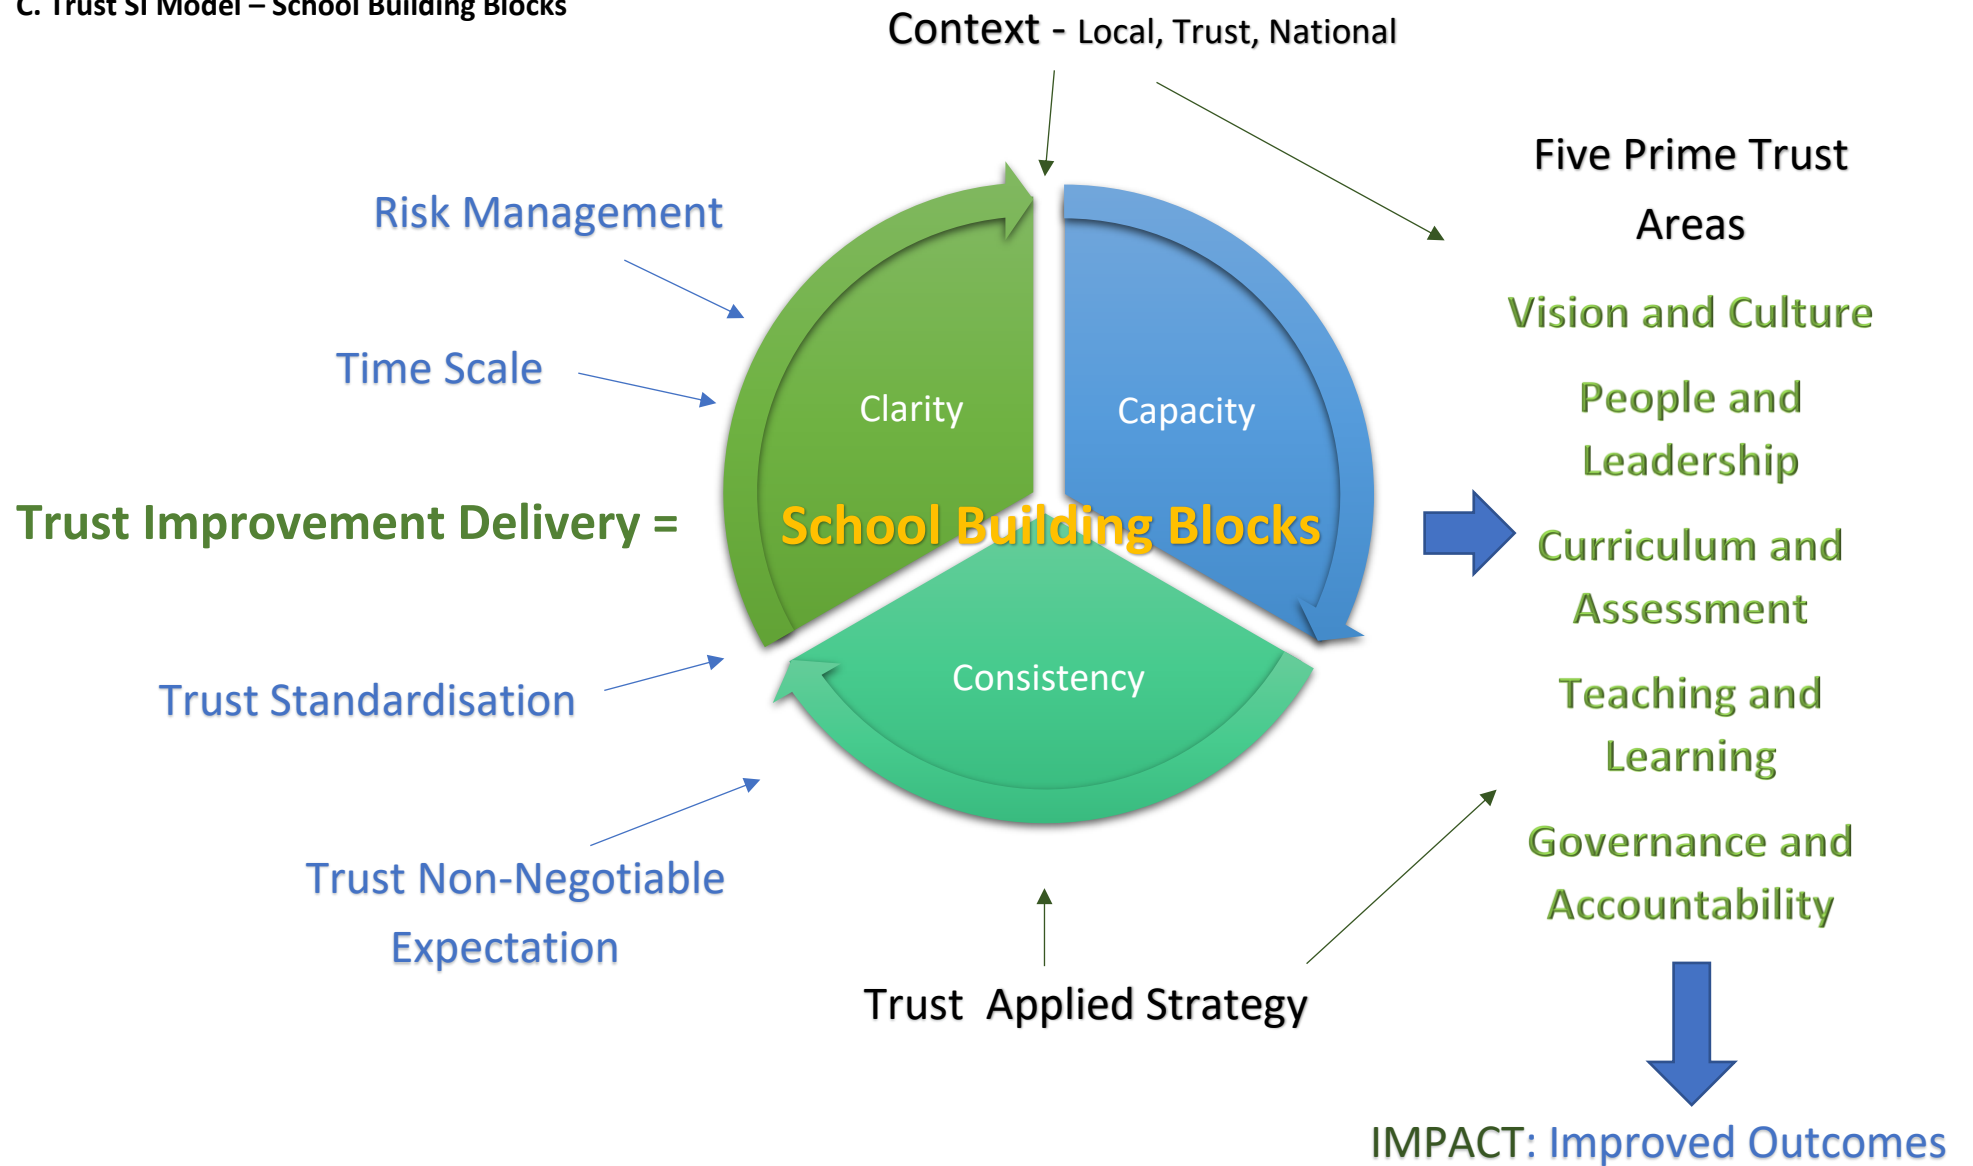

Seriously underperforming school	The need is for rescue or recovery: rapid control, arrest of decline, assessment of priorities, firm action, injection of systems and staff, critical decisions and modelling what is needed
School that requires improvement to be judged good	A school requiring reinforcements: building capacity, harnessing good practice and improving that which is not, developing and empowering staff, ensuring consistency, raising aspirations, designing and implementing a strategy for creating a school that is good or better
Good to outstanding	The need for refinement: ensuring that all teaching and learning is good and that an increasingly high proportion is outstanding, refining monitoring and evaluation, ensuring the needs of every pupil are met, growing leaders, reducing achievement gaps and maximising progress and outcomes
Sustaining excellence	A school requiring renewal: not simply sustaining outstanding practice but building on it, innovating, fine tuning and spreading the schools influence more widely

B. Creating Shared Vision, Aspiration and Expectation

- Trust Vision and Mission Statement– *Igniting Curiosity, Growing Capabilities* - **“To grow capability mature children who are positively engaged, compassionate, competent young people conscious of the role they play in society, who are curious about the world around them and their place in it”**
- Trust schools will focus on delivering school improvement programmes closely linked to their local need and the Trust priorities – providing a “departure” point and “arrival” point to measure success and gain. School improvement is always identified with raising the quality of learning and standards. SI needs will be identified by using the full range of Trust self-evaluation tools. The pyramid shows SI implementation strategy;

C. Trust SI Model – School Building Blocks

D. Academy Improvement Plan 21-22 – Improving Outcomes for Children

Trust Improvement Plan Priorities 21-22:

1. Teaching and Learning Standards

- a. Improve achievement in core subjects for EYFS / Year 1 pupils (current Class F/Rec at July 21) by addressing identified learning gaps through appropriate curriculum provision over the next three terms. Embed requirements of the new EYFS Framework.*
- b. Improve the quality of learning provision for Year 3 cohort (current Y2 at July 21) in core subjects so they can be back on track to achieve ARE or ARE+ by year end where possible*
- c. Improve learner resilience for extended quality writing at both key stages to ensure catch up to pre-pandemic achievement*
- d. Improve writing achievement at Key Stage 1 - particularly for disadvantaged boys in Year 2 so that more pupils achieve ARE or ARE+ by year end*
- e. Improve pupil use of problem-solving skills and known knowledge through a varied problem-solving based curriculum provision*

2. Curriculum and Assessment

- a. Develop the coherence and effectiveness of the planned Capabilities-led curriculum by improving planning quality, effective self-evaluation, staff training and subject level leadership*
- b. Re-focus school leaders on Trust wide Capabilities Curriculum model - review intent, design and implementation across all Trust schools with a focus on:
 - 1. RE (beyond the agreed syllabus)*
 - 2. PSHE and Personal Development*
 - 3. On-Line Safety*
 - 4. Early Reading**
- c. Continue to develop Trust Subject Leaders capacity to support effective curriculum improvement across the wider Trust*

3. Vision and Culture

- a. Implement planned improvements to the new Trust wide resource of the dedicated 'Woodland Skills Learning Centre' so it fully supports the vision of the Trust to develop pupils in personal and positional change*

4. Safeguarding (including behaviour and attendance)

- a. Following internal review implement improvements to child protection and safeguarding procedures (including any national changes) to ensure the highest standard of care are maintained across all Trust settings*

5. People and Leadership

- a. Improved condition survey and property expertise utilisation to support CIF bids and priority improvement condition works*
- b. Improvement to long-term financial effectiveness and best value by establishing in-house pay roll from Sept 22*
- c. Ensure Cyber Security arrangements are fully effective to mitigate increasing levels of IT related risk*
- d. Ensure long term local governance quality and structure is secured*

5. **e. Long term development of Launceston Pre-School building so that it meets future Trust requirements**

Trust Over-arching Vision: Igniting Curiosity, Growing Capabilities - “To grow capability mature children who are positively engaged, compassionate, competent young people conscious of the role they play in society, who are curious about the world around them and their place in it”
